10) Submitter. During his inspection
of Lalbagh on 12-7-53, the Honble Home Minister
gave instructions that the land east
to Kumbhigal Road may be acquired
and added to Lalbagh and the
C.I.T. Bangalore should

take action in the matter of acquisition
paying the cost thereof. He gave further
instructions that, erecting ^{the work of} a gate against
the double road for heading cars to the
picnic grounds and restaurants, may be
taken up by the Trust Board.

- 11) The report of 3-5-54, of the chairman,
Bangalore Trust Board discloses that
these works are not included in the
four-year programme of works of the Board.
The Trust Board cannot take up such
unremunerative schemes, unless govt.
provide grants. At present, it is not possible
even to provide grant to the extent
required to complete the remunerative
schemes taken up by the Board.
These works ^{now to be executed by the Home Minister} have to be met out of the
grants to be given to the gardens dept.
If the amount required to finance the
works, specified is placed at the disposal
of the Trust Board, then instructions may
be issued to have the estimates
prepared. For the Secy, Agri + Forest
may perhaps be requested to kindly indicate
whether the amount would be made available
for these works out of the grant given to the
gardens dept. In formal order -

13) There is no doubt that the acquisition of the lands mentioned in para 1, as instructed by the Minister for Home Affairs, is very essential. The only question for consideration is whether this could be taken up by the Trust Board. They are asked to take up only self-supporting schemes, because, the Board is expected to repay every pie of the advances made by Government from time to time. The present scheme is unremunerative. The Board can take it up only if grants are provided. There is no estimate as yet of the cost of acquisition. It would appear to me that funds would have to be provided out of the budget of the Gardens Department, and the acquisition might be undertaken by the Trust Board on behalf of the Gardens Department. If this is accepted, detailed proposals for acquisition together with the cost thereof will be called for from the Trust Board.

19) The Sunkal Farm consisting of 116.9 acres which originally belonged to the Gardens Department which should have been handed over to the Executive Engineer, Buildings Division Bangalore, consequent on its closure as per G.O. No.T 7039-45/R.T.10-48-11 dated 10th March 1950 was actually handed over to the Agricultural Engineer on 29-3-1950 as per letter no.7793 dated 22nd March 1950 from the Chief Engineer of Mysore, Bangalore. Subsequently a portion of the farm with the buildings has been transferred to the control of the General Manager Mysore Government Road Transport Department, compensation for which amounting to Rs 21,550/- has yet to be recovered. The remaining portion of the farm may be taken away for layout of sites etc by the Bangalore City Improvement Trust Board.

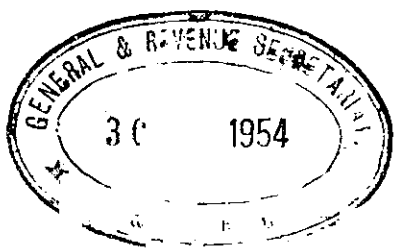

20) As this year's budget has ~~not~~ not provided any funds for such acquisitions the cost of acquisition may be met out of funds of the City Improvement Trust Board. The Trust Board will be able to get back this amount out of the sale of sites of the Sunkal Farm. In case the amount realised is insufficient, Government may sanction funds for this purpose.

21) The Bangalore City Improvement Trust Board may be kindly ordered to take up the acquisition immediately.

25) The question of placing the amount required to meet the cost of acquisition is not yet decided. please see the note of the Superintendent, GWT gardens at 'B' in para 20 overleaf. His suggestions are that the cost of acquisition may be met out of the funds of the Bangalore Trust Board, as the Board will be able to get back the amount out of the sale of sites in Snukal Farm. It is not known what portion of Snukal Farm could be taken over by the B.T.B., where the sites could be formed and sold ^{in the area} as to yield profit to the extent required to meet the cost of acquisition of the properties in question, exclusive of the amount required to cover the cost of forming sites on a self-supporting basis. Until these points are decided, it is perhaps premature to issue instructions to the T.B. to initiate acquisition proceedings without any amount being placed at its disposal — vide para 24 above.

26) It may however be seen in para

from para 19, ^{14.11.53} compensation to the extent of Rs 21,550/- has to get to be recovered from the gvt. Road Transport Dept. in respect of the land handed over to it. The best course appears to be to recover the amount from the Transport Dept and place it at the disposal of the Bangalore Trust Board, pending ~~consideration~~ consideration of the points referred to in para 25 regarding the formation of sites by the B.T.B. in the area, so that the Board can initiate acquisition proceedings in respect of the properties in question without further delay and in case the amount to be so placed is found insufficient to cover the cost of acquisition, the necessary provision has to be made in the budget of the Gardens Dept. later on. ~~In the light of~~ 27) In these circumstances, the suggestions in para 26 above are for orders, as the A+7 seat have not given ^{any} definite opinion about the availability of funds required ^{to meet the cost of acquisition} ^{at an immediate source}. - Ref paras 13+24 above (pages 4+6 of the notes submitted respectively)

Petitioner:

M. PAPANNA SON
OF. P. Muniswamappa,
No. 28, Krumbiegal Road,
VI Division,
Bangalore City.

Respected Sir,

Sub:- Acquisition of properties - Door No. 28
and Vacant Land - belonging to the
petitioner for extending Lalbagh by the
Government.

With reference to the notification in the Mysore Gazette dated
8.3.1956 on the above subject, the Petitioner wishes to file the following
objections:-

1. Omission of Land:

The land described below belongs to the Petitioner as per registered
sale deed No. 217 of Book No. 1. Vol. 236 Pages 396 to 399 dated 29.7.1933
executed in favour of the Petitioner by Mr. S. Dorasamappa. The boundaries
to this land are to the east Dasa Thimmappa's land, to the west Sadara
Pillappas land and Mr. Ramalah's house. To the north Mr. P. Muniswamappa's
house and to the south Mr. Venkatappa's land. The land measures north to
south 58 feet, east to west (on northern side) 26 feet and southern side
15 feet.

A copy of the Sale Deed is herein enclosed for kind perusal.

2. Omission of items and incorrect measurements in the property of
No. 28 Krumbiegal Road.

Some of the measurements notified in the preliminary notification are
incorrect. Hence the Petitioner prays for the correction of the same. A
statement showing the correct measurement of the properties is herein
enclosed for your kind perusal.

3. Survey No. 30/3

The stone rivetted well and the trees that are in Survey No. 30/3 is
to be included in the final notification.

Further the Petitioner begs to state that he had applied to the Municipal
Commissioner for a site at an upset price at the time of this property was
surveyed, but there is no response to that effect until now from the Municipality.
Since the Petitioner will be deprived of a very valuable property, his cause may
kindly be viewed for a recommendation to be made for the grant of a suitable
site in the VI Division at an upset price.

The Petitioner feels that his objections may kindly be considered and
the defects, omissions, etc. got rectified in the final notification.

Yours faithfully,

M. Pannur

Dear Sir,

We have read the Notification No. L. 15004-J.T.B. 1-54-99 dated 20th February 1956 and has published in the Official Mysore Gazette dated 8th March 1956. We find therein the area of the square feet to be acquired as mentioned is incorrect although 17684/8 square yards is quite correct so far as Land area is concerned. The details of structure as published in the Official Mysore Gazette No. A. F. 6507-C. G. 51-43-13 Dated 14th May 1947 on the side of Declaration have to be taken as final measurements. But there have been some variation so far as Trees and plants are concerned and that a correct list standing at present on the above said Land area shall be given in due course.

We have no valid reasons to object the above said acquisition of the property required for a public purpose.

Yours faithfully,
B. L. Byanna.
